Parents and Pupils step by step guide for Google Classroom

Google Classroom is a safe and secure platform that our teachers use to set work and communicate with pupils in their class. Each child has their own login details and can complete work online, hand it in and communicate with other members of the class. We continue to use this beyond Year 1 to learn and develop our IT skills.

<p><u>Step 1</u></p> <p>Open up Google Chrome or your computers search engine.</p>	
<p><u>Step 2</u></p> <p>Click on the Google Classroom website. Once you have logged on you are able to download the app on any device. Or follow the link: classroom.google.com</p>	
<p><u>Step 3</u></p> <p>Once the Google Classroom has loaded click the blue bar 'Go to Classroom'.</p>
