Last week was Interfaith Week, and we enjoyed learning about the major world religions across school. Reception children looked at the symbols from each faith community and created a wonderful welcome banner for our Interfaith Exhibition, which we held on Monday this week. This was a great opportunity for children to celebrate the faiths that make up our community and learn more about them.

Buddhist Faith display – Year 6

The children enjoyed finding out about some of the religions that they had not learnt about yet.

Each faith tradition has teachings about the importance of treating others as we ourselves would wish to be treated. These teachings are sometimes called the Golden Rule. Exploring differences and commonalities and working together on the basis of shared values is a vital part of living together well in a diverse society. This is something we want to foster in all our pupils at St Michaels.

We are so proud of our Pre-school children who also took part and have been learning all about the festival of Diwali.
